Re: *United States v. Angel Villafane*, 16 CR 272 / 21 CR 93 (VM)

Dear Judge Marrero,

On behalf of the parties, the Government writes to request respectfully a further thirty-day adjournment of the conference currently scheduled in the above-captioned cases for Friday, June 4, 2021 to a date and time that is convenient for the Court during the week of Tuesday, July 6, 2021 or thereafter. The parties remain in active dialogue concerning these proceedings and continue to exchange and review discovery, which includes a substantial set of video recordings from numerous surveillance cameras, and believe that the additional time will facilitate our ongoing discussion of whether a disposition of the pending specifications and the pending indictment is possible prior to a hearing and a trial. With the consent of the defendant, the Government also respectfully requests that the Court exclude time under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7) from June 4, 2021 through the date of any granted adjournment on the basis that the interests of the public and the defendant in a speedy trial are outweighed here by the interests of the defendant in having the further opportunity to review meaningfully with counsel the discovery in this case and in light of that discovery consider the possibility of a global disposition.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
